Include a set of plans

Authorization

The undersigned states that the foregoing information is true and accurate to the best of their knowledge; it is hereby agreed that for and in consideration of the issuance of a Permit that the foregoing work will be carried out as defined in this application; that all applicable ordinances or codes of the state, county, and village will be complied with in carrying out the proposed work stated in the application; and that work will not commence before a permit has been obtained. If any changes or deviations are made from the original application, a new permit or written request for a permit revision and subsequent approval is required. Failure to comply with the permit as issued will result in the revocation of the permit or other penalties. Property owners, builders, and contractors are responsible for code compliance and reasonable care in construction.

Signature of applicant: _____ Date: _____

The Zoning Administrator finds that at this time the planned construction is expected to or does conform to the above provisions and hereby authorizes this Permit.
