The Village of Trempealeau asks for complainant information for several reasons

1. We know the complaint is from a Trempealeau resident or property owner;
2. We can realistically track the number of complaints and prioritize them based on the issue at hand;
3. We can ensure the legitimacy of complaints; and
4. We can reduce the number of “vindictive” complaints and concentrate on improving the Village.

This form MUST be completed in full in order to be processed. Incomplete complaints will not be investigated. Please know that the village receives many complaints and your complaint will be investigated based on the order in which it was received. Please return the completed form to the Village
